# THE POWER OF A DREAM

Dreams do not stop for the holidays, it's actually one of our busiest times of the year. We get to use the holiday spirit to bring extra hope and joy to children, like Camden – whose dream was to see ELF come to life in New York City!

Camden and his family visited all the ELF movie locations in NYC. Those special stops brought the holiday classic to life. His time in the Big Apple included a visit with Santa, a snowball fight in Central Park, the Rockefeller Center Christmas tree, skating in Central Park at the Wollman Rink and a visit with the Central Park Rangers and their Clydesdales! The high point of his trip was viewing the movie ELF at the top of the Empire State Building.

## *From Camden's Family.....*

*After the trying year our sweet boy had, to be able to offer Camden the dream trip of a Christmas mecca to New York City, to see all the lights and bring Buddy the Elf to life, how do we ever begin to thank you for that. Every single part of the planning that went into Camden's dream trip was so perfect for him. Every detail was tailored to his unique personality. You spread the love, kindness and generosity of the season to deserving children throughout the year.*

# OUR MEDICAL PARTNERS

## FEATURED PARTNER

We are immensely grateful for the unwavering support of our dedicated medical partners. Their commitment to our nonprofit has been instrumental in helping us achieve our mission and make a meaningful impact on the lives of those we serve.

## Wolfson Children's Hospital

Wolfson Children's Hospital has seen firsthand the impact Dreams Come True has had on children in the Northeast Florida area since 1984. A variety of Wolfson Children's patients are granted dreams each year, including pediatric cancer patients and patients of the Bower Lyman Center for Medically Complex Children.

*"Over the last 40 years, our partnership with Dreams Come True has allowed us to bring hope and joy to our patients and families dealing with life-threatening illnesses. The organization's contribution to our community is immeasurable, as they provide a much-needed reprieve from the stress of medical treatment by making our patients' dreams a reality."*

*~ Allegra Jaros, MBA, president of Wolfson Children's Hospital*

## 30 Dreamers

are referred, on average, monthly to Dreams Come True, with the majority coming from our amazing medical partners.

medical team

# VOLUNTEERING

## Join Our Volunteer Teams and Give Back

Volunteers play a vital role in the mission of Dreams Come True. By getting involved, you can make a difference for children and families devastated by a life-threatening medical condition. When a group of like-minded individuals get together based on passion and making a positive difference, amazing things happen!

Through our Galaxy Digital Volunteer Portal, you can select volunteer opportunities that work with your schedule, track your hours of service, and even form a volunteer team for your family and co-workers to join you in your efforts.

From volunteering at an event, to helping with deliveries to our dream families, or even joining us in the office, there are plenty of ways people can give back to Dreams Come True through their volunteer service. Individuals and corporate groups are welcome. To get started, scan the QR code.

*Scan me*

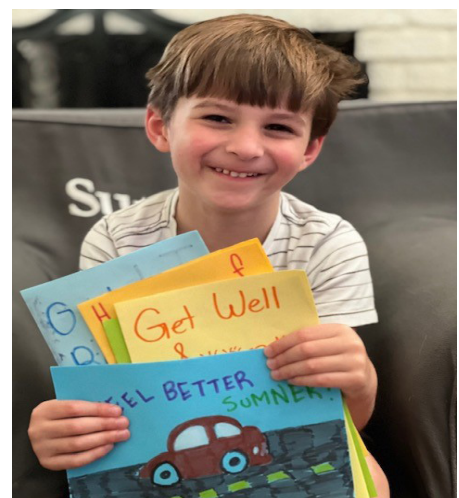

The Dreams Come True Horizon Board is a group of dynamic First Coast professionals focused on giving back to the community through the mission of Dreams Come True. Since its inception in 2001, the Horizon Board has served local children battling life-threatening medical conditions through Special Times events designed to bring hope and joy to children during their darkest days. In addition to direct service to Dreams Come True and the children we serve, Horizon Board members also enjoy a variety of professional development and social functions aimed at strengthening leadership skills and building lasting relationships.

The Women's Board is a group of caring women who provide support to Dreams Come True throughout the year, with many of their activities taking place during the holiday seasons. The vision of the Dreams Come True Women's Board is to serve as the "hands and feet" of Dreams Come True to help us carry out our mission by supporting our dreamers with care and compassion.

This signature program pairs students and young people with dream recipients. Kids Helping Kids include schools, clubs, youth groups, civic, religious, and service organizations. Through the Kids Helping Kids program, students and young people raise money to sponsor children's dreams or provide special moments of joy. Students experience the magnificent satisfaction that comes from doing kind things for others.

# DISNEY DREAMING

*Everything was perfect! Nikel had so much fun, he was all smiles as he rode as many rides as he could. What made the whole trip special was when he got to meet Spider-Man. Thank you for making Nikel's dream trip come true. I don't think he will ever forget it.*

*Sage's dream was a week like no other. Every time she turned around there was something new and exciting for her to experience and enjoy. She giggled and squealed with delight on every amusement park ride, she ate as much ice cream as she could get her hands on at Give Kids the World, and she had the freedom to roam their entirely accessible campus. Everything about the week was amazing. In a world where so much of Sage's life is being patient for the people around her to care for her and assist her, it was an amazing experience to have a week focused on things that were all about her enjoying life. We won't ever forget the smiles and laughter we shared with her that week!*

~ The Family of Sage S.

*Jayce enjoyed every moment of his dream, he was excited for all of the theme parks and experiences. When it came to the Give Kids The World Village, he was super excited and calls it "The Magic Place!" You are forever in our thoughts. Your kind heart and love has created a lifetime of memories for Jayce and our family. The magic that you were able to bring to our children, words can't express. Many blessings to you.*

# GET INVOLVED

## EVENTS - OPPORTUNITIES

PRESENTED BY  
**TOTE**

### DREAMS COME TRUE 5K & 1 MILE FUN RUN Presented by TOTE

Help us flashback to the '80s  
**SATURDAY, SEPTEMBER 21, 2024**  
University of North Florida

7:00 a.m. Registration  
7:30 a.m. - 12 p.m. Dreamfest Celebration  
8:15 a.m. One Mile Dash for Dreams  
8:30 a.m. 5K Walk, Run or Roll

### ANNUAL TRUNK-OR-TREAT FOR DREAM FAMILIES

Miller Electric Company  
**Saturday, October 19, 2024**  
9:00 a.m. - 12:00 p.m.

Volunteer for our annual drive-thru trunk-or-treating at Miller Electric. With more than 150 dream families in attendance, our volunteers and community partners decorate their trunks and pass out candy and non-candy items to our dreamers and their siblings as their family drives through our Halloween maze.

**Visit [DreamsComeTrue.org](https://www.DreamsComeTrue.org) for additional details on our signature events, community events and volunteer opportunities.**

## HOW YOU CAN MAKE A DIFFERENCE

### DONATE

Give a gift online, by phone or through the mail. Dreams Come True applies 100% of donations from the community toward children's dreams, unless otherwise designated by the donor.

### EMPLOYEE GIVING

The Combined Federal Campaign (CFC) is an annual charity workplace campaign for federal employees to support nonprofits through payroll deductions. Dreams Come is proud to be part of the CFC as charity #65453.

### IN-KIND DONATION

Donate gift cards, meals, toys or tickets to special events, which will be distributed directly to local children and their families.

**To donate or learn more visit: [www.DreamsComeTrue.org](https://www.DreamsComeTrue.org)**
